THE DEACON FAMILY MINISTRY

Throughout the years deacons have had a rich heritage of service through their churches. Deacons serve alongside their pastors as co-laborers in a spiritual ministry. The Deacon Family Ministry Plan is a vital ministry for any church. When the plan is conducted faithfully on the part of the families and deacons it strengthens the work of Christ to each member in times of crisis; and encourages member involvement to participate in and share in the work of the church.

Each deacon in our church is assigned a number of families for which each assumes a responsibility to minister. Each deacon will make an effort to be in touch with and pray for families assigned to them. Families are encouraged to pray for their deacon and to be receptive of this ministry. Printed below are the assignments for 2019:
