## ***SUMMER OF SERVE!***

I'm sure many of you have already begun the work of planning for your summer activities and vacations—or at least started to fantasize about them! We have our calendars complete for the summer, and I've noticed something that I want to make sure you all are aware of too—there will be A LOT of opportunity for service and mission work available to us here at MHBC. Let me give you a brief intro to what I'm talking about:

**LBA/RUSTBURG MISSION TRIP** –Our church has partnered with other area churches on this trip for years! This summer, the trip to Newbern, NC is scheduled from June 8 to June 13. The cost is \$50/person, and anyone having completed 6th grade or older is welcome to attend. There is a construction team, kitchen team, and music team to serve on—a place for everyone to plug in! Reach out to the office to sign up.

**MISSION SERVE KNOXVILLE** – From June 22 to June 28, our youth and their leaders will be going to Mission Serve in Knoxville, TN! Mission Serve is a work intensive youth mission trip that gives them a hands-on experience of caring for neighbors in the community. They serve alongside other churches and learn to be the presence of Christ at the homes and ministries they serve at. I'm pretty sure our student spots are close to full, but adult chaperones are still needed! Talk to Randy about this awesome experience, be in prayer for our group!

**MISSION SERVE MHBC** – We are also hosting the first ever Lynchburg Area Mission Serve camp this year from July 6-July 12! We are deep in the throes of lining up projects, and lodging/food needs. To this end, let me officially invite you to be part of the process:

**-Custodial Crew** – There will be about 120-150 people staying in our church building this week, and we need a team to clean each day after they head to mission sites. This includes bathrooms, shower trailers, common spaces, etc. If you would be willing to serve in this capacity, we definitely NEED you! Please reach out to me to let me know.

**-Lunch Crew** – There will be 12-15 worksites for the week, and each site needs lunch provided by a local church. Our church will have one team to work towards this end, so if you'd like to be part of this, start planning for it now!
