## **CONGRATULATIONS CLASS OF 2025**

This time of year always brings excitement to our world around us! The newness of spring which means that summer is not far behind. The beauty of God's magnificent creation as it blossoms before our very eyes...along with the pollen that gets in our eyes. It is also a time of great celebration as students and families embark on a new chapter in their lives as graduations take place.

The Madison Heights church family would like to take this opportunity to share in the celebration and recognition of those graduating from high schools, colleges and universities. This Sunday, May 18, we will recognize all of our graduates and their families as they transition into the new paths that God has laid out before them. Class of 2025, congratulations on all of your achievements and on a job well done!
